December 2006 Newsletter

Haiti Bound Again

Once again we will soon be heading to Haiti. As part of our twice a year visits to this nation we will this time be leading a team of almost 50 people overseas. We will be connecting with our Haitian brothers and sisters who are doing the work in this destitute place day after day.

We continue to ask for your prayers and your financial support for the work we will be doing. Our hope is to bring the construction of the school in Laquil to completion – this will take about another $10,000. At present there are almost 400 children in this school program.

We will be building school benches for our school in Fauche. This school is now running around 250 students. They currently have 15-20 crude benches. Our goal is to build 25 new benches on this trip. This project will cost over $2000. We also hope to bring electricity to this school on this trip.

We will be transporting 50 suitcases full of donated items, including almost 60 books for our next set of marriage groups staring up in January. By the end of the year we will be ministering to almost 120 couples, broken down into 16 groups.

We will be registering 70 more students into our schools between the Leogane and the Fauche school. These students will be able to start school in August of 2007, assuming that we are able to find sponsors for them. $30 per month will provide free education, a hot meal each day, new school books each year, and a school uniform.

We will also be providing medical check ups on all of our students during this January visit. This will always uncover medical conditions that need attention. We are praying for the funds to get them the help they need.

We are hoping to be able to have $20,000 for this January trip for all the projects we'll be working on. Would you prayerfully consider sending a Christmas gift to help the poorest country on our side of the world?

D E L T A Force - Battle Camp

This past weekend Mission E4 sponsored the D.E.L.T.A. Force Battle Camp. This was a time of training and equipping for young people who are serious about their walk with the Lord. The focus of this weekend was to build the foundations of a Biblical world view. Scott, Tanya, and Taran Long worked together with other youth leaders to provide teaching, worship, discussion groups and outreach time for those attending. It was an amazing time of discipleship.

Would you like us to bring a letter or gift for your child?

If you currently sponsor a child with us, you can send a gift or letter for us to bring with us in January. We ask that gifts be no bigger than the size of a shoe box as we need to allow room for everyone's gifts. We need to receive these gifts or letters no later than December 31st.

October Financial Report

Income:		Expenses:	
Haiti Food Distribution	1300.00	Child Sponsorship	3480.00
Child Sponsorship	1675.00	Haiti Mission Trip	3642.00
